E-mail: _____

Other Authors: _____

ABSTRACT FORM OVERLEAF

All emailed abstracts must provide all the information required above

Abstracts should be no more than 400 words.

General abstracts can be related to any aspect of epilepsy.

The name, email address and full address of the presenting author should be fully stated above (with the names of accompanying authors) and a clear title.

Abstracts can be emailed, sent via post or downloaded on our website.

They must be received no later than May 31st, 2008.

If posting an abstract, three copies should be sent to:

Juliet Solomon – Research Manager, Room 618, Division of Neurology, Institute of Neurology, Queen Square, London WC1N 3BG or via Email: j.solomon@ion.ucl.ac.uk

Tel: 020 7837 3611. Ext. 4285.

Authors will be notified within 28 days if their abstracts have been accepted.

They will also be notified **IN ADVANCE** as to whether their poster has been selected as a platform presentation.

Boards will be 2 metres high x 1 metre wide.
